Dear Era ,

It has recently come to my attention you, Tara, Poonam, Arti and your organization DISHA, have not been thanked properly for your contribution to the International women's day in March 2011 and the White Ribbon Day organized in November 2011 and the Gender Abuse and Culture conference held in 9 December 2011 and The International Women's Day March 2012 by AISV Taskforce Against DV in Indian and Ethnic Communities.

I humbly apologize, I thought my secretary Meghan had sent the letters out but apparently that was not the case.

I am very sorry for this delay.

Your contribution was much appreciated and has been acknowledged in the Australia India Society's Golden

**Jubilee publication, printed on the occasion of our
celebrations in May 2012.**
