Ms Tara Chandramouli
12 Lemon Rd
BALWYN NORTH VIC 3104

29 October 2007

Dear Tara,

It was a pleasure to meet with you last week. I wish to thank you for your support of the Palliative Care Service at The Alfred. Enclosed are the tax receipts for all donors.

The Charity Champagne Brunch held on 9 September at Melbourne Park was a wonderful initiative and I am thrilled by the significant funds raised for Palliative Care.

Palliative Care is a specialist area that provides care for people with progressive, life-threatening illness. It is active care, aiming to anticipate problems and minimise the impact of the disease so that the patient can achieve the best possible quality of life.

As you know, the \$10,000 raised this year by DISHA will enable the purchase of three 'Palliative Care beds', which will offer much needed relief and comfort to patients of the unit.

Support from community groups like DISHA is integral to The Alfred, as it helps us ensure that all patients who come through our doors are given the best possible care.

Thank you once again for your generous support.

Yours sincerely,

Leora Harrison
Director
The Alfred Foundation
